#### FOREWORD.

The Committee of the Twenty-Second Battalion Association has no doubt of the welcome awaiting this paper.

In these days of austerity, when we have been deprived of the warm exchange of Battalion news which we enjoyed at our Annual Reunions, even cold print is not amiss.

You will find here everything to show that our Association is very much alive. The loyalty of members and the energy of our Secretary and Committee have kept us well together.

To those who, owing to distance, cannot take their place in the Annual March, this publication will have particular interest.

All will be pleased to read of the close link between the second Twenty-Second Battalion and our Association.

Readers may miss matters for which a place should have been found. Any helpful criticism or suggestion in this regard will be welcomed by our Secretary.

To the question, "When is the next Reunion?" the answer is, "Not far off, and it will be a celebration of Victory."

W. B. CRAIG, President

---

From the Secretary.

May I take this opportunity of expressing my thanks and appreciation for the many expressions of confidence which members have accorded me.

Money has been given to me on many occasions and no receipts asked for. I can assure each and everyone that all amounts received have been duly credited to the fund and a statement prepared each year for the Hon. Auditor. Although no acknowledgment has been made of such donations, I desire to state that I am more than gratified that members have been so generous in their attitude towards me.

Such practical gestures of support make the position all the more worth-while, and I can only say "Thank You."

F. C. RUSSELL, Hon. Secretary.

The interest shown in the "Twenty-Five Years" booklet issued last year exceeded all expectation of the Committee. Reports disclose a close co-operation of members in country districts. Secretary Fred Russell spent a busy six months finalizing records. Suggestions were numerous and many were helpful, so it was decided to publish the booklet for 1945 with the title of "Twenty Second Echo," in memory of the late Sgt. C. Blatchford, M.M., editor of the journal of that name during the last war.

#### FINANCE.

The balance sheet for 1944 is presented herewith. It is pleasing to note that subscriptions have shown a marked increase over previous years.

#### GENERAL.

Expressions of appreciation of the booklet were numerous, for which the Committee is grateful.

The small attendance of members at the Anzac Day March last year was most noticeable; this, it is presumed, was due to the inclemency of the weather during the morning—so much so that over 700 booklets had to be posted. Attend the march and fill the ranks.

Subscriptions totalled £38/14/0 and sales of the Battalion book amounted to £4/11/6—this is the best effort since the formation of the Association. Members are reminded that the annual subscription is 1/-, also the Battalion book may still be purchased at 3/- per copy, posted. The book will be much appreciated now.

On 22nd January last the Association sponsored the formation of the 2/22nd Association. Office-bearers were elected with Lt/Col E. Appel, President, and W. Reed, Hon. Secretary. The Association contributed £5 to the fund of the new body, with good wishes for success.

#### PERSONAL.

Dick Newman, Reg. No. 659, celebrates his 81st birthday on 5th May next. Heartiest congratulations.

Bill Beacall, 69 years, is still active, works as hard as ever, but reckons he has to take things quietly. His effort each Anzac Day a few years ago was greatly appreciated; we are looking forward to the same service in the very near future.

Dr. W. B. Craig, our President, reports daily for duty with the Repatriation Department.

Bert Dawes, aged 60, carries on daily at the Labor Bureau.

There may be more old-timers; if so, write the Secretary, who is only too pleased to receive such information. The Association conveys greetings to these members, and may they be long spared to enjoy good health and happiness.

Sailor Parsons missed the march last year due to a nasty accident which kept him in hospital for many months. He is now back at duty.

Eugene Gorman, now Brigadier, had a brilliant record with the Comforts Fund in the Middle East, and has been selected for the responsible position in England of receiving and repatriating Australian Prisoners of War from Germany. He writes that he recently met Wally Cawthorn, Major-General in the Indian Army.

Bill Du Boos, Colac, received advice that his son, who is serving with the R.A.A.F., has been decorated with the D.F.C. Congratulations.

Harold Rodda was recently admitted to hospital, but is now discharged and making satisfactory progress.

Frank Robertson spent a few weeks in Caulfield Hospital. He is out and about again.

Tom Holdsworth had a trip through the Far East, including Japan, during 1940, and promises interesting views when time permits.

Bert Drowley of Mirboo North is Shire Councillor and President of the local R.S.L. sub-branch.

Vic Kirby, Bristol, England, appreciated the booklet and sends his kindest regards to all. He also sent an illustrated book of Bristol during the blitz.

Bert Thomas at Shepperton has the right idea of co-operation. He forwarded the names of about 15 members residing within the district. Thanks for the effort.

The Committee is always anxious to hear from members. Should it be known that a member has been admitted to hospital or has passed on, communicate with the Secretary immediately.

The Committee conveys best wishes to members for 1945, and sincerely trusts that those who are separated through hostilities may be speedily reunited and return to pre-war happiness and prosperity.

The desire of the Committee is that all members of the old Battalion be enrolled with the Association. It was decided to publish the nominal roll of the Association in order that members may assist in reaching the objective by forwarding the name and address of any old member not shown on the following roll, or request that it be forwarded, to the Secretary:—
